TONIC

Enjoy our gin straight up 35ml or with our recommendation - add the tonic & garnish!

Fever Tree Premium/light £2.00

Fever Tree Mediterranean & Fever Tree Elderflower £2.00

NON-ALCOHOLIC DISTILLED SPIRIT

SEEDLIP £3.80

Wow a gin with no gin for drivers and non-drinkers – A distilled non-alcoholic spirit which has been copper pot distilled and is bursting with flavour, wood, spices & highly citrus – a fab alternative for non-drinkers!

Recommendation: Fever Tree Elderflower & Lime

GINS

LARIOS 35ml £3.00

A stunning Spanish gin heavy on the citrus fruits

Recommendation: Fever Tree, Juniper, Lime

XORIGUER £3.75

A great gin from Menorca, Xoriguer is one of the only gins in the world (along with good old Plymouth), to have a geographical indication. Bursting citrus flavour

Recommendation: Fever Tree Mediterranean, Lime & Lavender

HENDRICKS £4.95

A very classic gin infused with Bulgarian rose & cucumber, Hendricks began its journey when the family were sat eating cucumber sandwiches.

Recommendation: Fever Tree Premium & Cucumber

GIN SEA £5.95

A Spanish sommelier wanted to produce a gin that really represented Spain, specifically Galicia. Gin Sea is five times distilled and uses an old Herve & Moulin pot which has been used since 1890. Sweet citrus flavours, earthy, lime, lemon, mint & black pepper with a hint of lavender.

Recommendation: Fever Tree Mediterranean, Mint, Lime & Juniper

COTSWOLD £5.85

A fantastic local gin, very smooth, the floral juniper blends well with the Cotswold lavender, vibrant grapefruit peels & warming cardamom on the nose, very refreshing & clean on the palate.

Recommendation: Premium Fever Tree, Lime & Bay Leaf

1831 £5.75

Fantastic new & exciting Spanish gin is produced with mineral water from the Nevron River, Juniper, aromatic herbs & spices, fresh flavour with dominant juniper notes with a sweet mild long aftertaste and herbal notes.

Recommendation: Fever Tree Mediterranean, Juniper & lashings of lime

GERANIUM £5.95

The flower from Spain; it was conceived from the smell of the flower which reminded the distiller of the aroma of gin and tonic and along came Geranium; with its fresh clean juniper led flavour with strong citrus and aromatic tea-like floral notes adding to its considerable complexity. It's full of bold flavours and is a must try!

Recommendation: Fever Tree Med, Lemon peel & Juniper & Coriander

GIN MARE £5.65

Mediterranean gin with cooking herbs & olives

Recommendation: Mediterranean Fever Tree, Rosemary & an Olive

ALKEMIST GIN 'Made by the light of the Moon' £6.15

'Made by the light of the moon' such a unique Spanish gin for two reasons, its particular personality comes from the moon's influence, it is only distilled under full moon which holds an intimate relation with the mystery around its formula the other being it uses muscat grape in its making giving it its unique flavour along with 21 other botanicals, its fresh with a zesty orange scent.

Recommendation: Fever Tree Mediterranean, Orange peel & Rosemary

MALFY £5.85

Vibrant citrus gin from the Italian coast, with 5 botanicals, heavy on the lemon with a strong zesty aroma. Did you know it was the Italians that invented gin in the 11th century by monks on the Salerno Coast, they added ginepro (juniper) and other botanicals to the alcohol – and gin was born!

Recommendation: Fever Tree Mediterranean, Lemon Peel, Juniper

MERMAID GIN £6.25

A fantastic gin from the Isle Of Wight; an infusion of botanicals: rock samphire from the Island's chalk cliffs, Boadicea hops, coriander seeds, juniper, fresh lemon zest, Angelica root, liquorice root, orris root, elderflower and grains of Paradise. It is bottled on the Island to create a refreshing, smooth, slightly sweet-peppery gin, with hints of citrus.

Recommendation: Fever Tree Elderflower, cucumber, lime & juniper

GIN SHARISH £5.90
Wow one for the ladies - a colour changing gin from Alentejo region in Portugal, from an intense blue to pink when tonic is added, fabulous fresh flavours all from the region, juniper, coriander, lemon peel, ginger, raspberry and many more.
Recommendation: Mediterranean Fever Tree, Lemon Twist & Raspberry

NORDES £5.95
Yey back in stock the old favourite – outstanding gin created with the base of the distillate of grapes traditionally grown in Galicia. With 12 unique botanicals that bring all its character, from every corner of Galicia, including sage, mint, some of the Galicia exile, cardamom, quinine, ginger, hibiscus & tea, they are all selected for their purity & aromas.
Recommendation: Mediterranean Fever Tree, mint, lime & juniper

PINK GRAPEFRUIT £5.95
I love it – floral & zesty then a wave of tartness hits your tongue followed by the juicy kick of grapefruit peel and robust juniper, one of my new favourites so refreshing and great with spicy tapas
Recommendation: Premium Fever Tree, Pink Grapefruit & Juniper

SEVILLE ORANGE £5.95
Wow Sevillian Orange bursting through the gin along with the juniper and earthy roots, a palate tingling gin which is incredibly refreshing thanks to the big citrus top notes.
Recommendation: Premium Fever Tree, Wedge of Orange & Juniper

G-VINE £5.85
Fantastic French gin unusually infused with white grape, - alongside botanicals such as lime, nutmeg, ginger, juniper – Floral crisp gin with a pleasant sweetness
Recommendation: Premium Fever Tree, Frozen grape, Lemon Peel

PUERTO DE INDIAS STRAWBERRY £5.50
Soft delicate made with mouth watering strawberries from Huelva in Spain, pink in colour with sweet citrus
Recommendation: Premium Fever Tree, Strawberry & Juniper

PINK PEPPER £6.15
Great gin from France, made with hand-picked peppercorns and other botanicals including honey, vanilla and cardamom – unusual peppery aromas waft up with herbal notes, spicy but with a long lasting sweet pepper & honey taste
Recommendation: Mediterranean Fever Tree, Pink Pepper Corns & Grapefruit

ZYMURGORIUM SWEET VIOLET £6.10
Wow made with sweet violets and tastes just like the parma violet sweets when you were young, Zymurgorium's founder has a real love of all things natural, many of the ingredients he foraged himself, he created this sweet gin bursting with natural sugary flavours.
Recommendation: Premium Fever Tree, Crushed Parma Violets

WOODSBROTHERS GIN £6.15
An amazing local gin produced down the road at Ed & Charlie's farm in Black Boughton. All ingredients are grown on their farm locally, using English winter wheat, farm-grown herbs and traditional botanicals, spicy and fresh tasting gin!
Recommendation: Premium Fever Tree, Orange & Rosemary

CABRABOC £8.95
My ultimate gin made in Soller, a small town in Majorca one of my favourite places to be other than here! We have recently met the distillers and are hoping to bring all of their products to La Bobina including an incredible vermouth. It is incredible, bursting with flavour from the oranges in Soller to the herbs in the mountains. It is a must try but not too many as it is extremely hard to get hold of unless I have another trip there!
Recommendation: Fever Tree Premium, Orange Peel & Passionate Fruit

GIN 5TH - Great range from Barcelona
WATER £5.85
Bright turquoise in colour, with strong herbal & Spicy bursts of flavour with floral notes
Recommendation: Fever Tree Mediterranean, Juniper, Cardamom & Lime

FIRE £5.85
Bright pink in colour, fruity, floral and fresh with a slight acidity
Recommendation: Fever Tree Mediterranean, Juniper, Raspberry

EARTH £5.85
Tinted yellow in colour & citric aroma this gin is refreshing lemon & grapefruit infused – great thirst quencher gin so fresh!
Recommendation: Fever Tree Elderflower, Grapefruit, Lemon peel
